Hello World Second Edition. This year we have been working on an update to Hello World! Computer Programming for Kids and Other Beginners. The Second Edition hit bookstore shelves in late December 2013. The first thing you'll notice about the new edition is that it's in full color, including the code listings, which have syntax coloring.

Hello World Second Edition

Hello, World! is a series designed to introduce first nonfiction concepts to babies and toddlers. Told in clear and easy terms ("Clank! A crane is used to lift heavy things and move them to the right spot.") and featuring bright, cheerful illustrations, Hello, World! makes learning fun for young children.
